Description

This beautiful 2-room apartment in a well-maintained period building offers approx. 76 m² of living space with a floor plan that convinces from the very first moment. The rooms are generously proportioned, feel bright and harmonious, and create a living atmosphere in which you immediately feel at home.

The living room is flooded with plenty of daylight and invites you to relax or enjoy cosy evenings with friends. The bedroom is pleasantly spacious and, in addition to a large wardrobe, still offers room for a small dressing table or a cosy reading/desk corner by the window.

The generous storage room is particularly practical. It not only provides space to store everyday items, but also helps keep the apartment deliberately tidy and stylish, allowing the living spaces to unfold their full effect — there is more than enough room for the vacuum cleaner and all sorts of other things!

The hallway is also nicely generous in size and conveys a pleasant sense of space as soon as you enter the apartment. The separate kitchen offers ample space for cooking and is equally well-suited as a cosy eat-in kitchen with a dining area.

A charming detail is the bathroom: it features a bathtub and a classic period-building window, which not only provides beautiful daylight but also allows for comfortable ventilation — a detail that is far from a given nowadays.

The apartment is equipped with a fitted kitchen as well as laminate flooring. A private cellar room offers additional storage space. The apartment is heated via district heating.

The apartment is in need of renovation, providing the ideal foundation for realising your own living ideas. Thanks to the successful floor plan, the generous rooms and the charming period-building character, a home with great potential and a very special atmosphere is created.

The communal property is in a very well-maintained condition. As the apartment is currently vacant, viewings are possible at short notice at any time.

The monthly service charge amounts to €486.

Directly opposite is the Stadtschloss Moabit, a cultural meeting point in the neighbourhood that regularly hosts interesting events — from yoga classes to concerts to the library. Here, a genuine sense of community is highly valued.

For your daily needs, you are ideally provided for: Turmstraße and Beusselstraße offer a wide range of shopping options in the immediate vicinity. The urban surroundings ensure that everyday errands can always be conveniently done on foot.
