Description

We are offering a 2-room apartment, Type C.

The apartment and the multi-family building are situated on a plot of land that has been held under leasehold (Erbbaurecht) since 1972. The leasehold has a term of 99 years and will end in 2071. The entire ground rent has already been paid in full, meaning the new owner will incur no further costs from this.

The apartment has been continuously let since 01.03.2022.

Basic rent (cold rent): EUR 460.00 per month

Service charges: EUR 190.00 per month

Gross rent (warm rent): EUR 650.00 per month

Service charge contribution (Hausgeld): EUR 325.00 per month

The apartment represents a solid source of income. For investors, this offers the opportunity for stable returns, while the unrenovated condition of the property offers potential for future value appreciation.

This multi-family building represents an attractive opportunity for investors seeking a stable return through long-term rental income. The leasehold provides long-term use of the land until 2071, which should be taken into account in the pricing.
